

MINI DROP EARRING

by Esther Beadwork
561-271-4360

2 Tipp Beads (A)

20 15/0 seed beads (B)

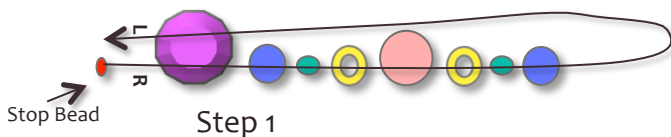

6 11/0 seed beads (C)

4 O-Beads (D)

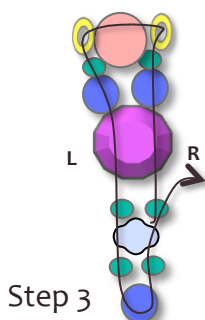

2 mini duos (E)

2 4mm glass pearls

1. On a comfortable length of thread, add a stop bead. Pass thru the right hole of A. P/U 1C, 1B, 1D, 1 Pearl, 1D, 1B, 1C. Pass thru the left hole of same A.

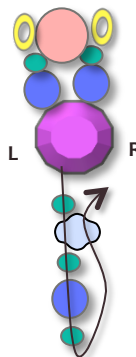

2. P/U 1B, 1E, 1B, 1C, 1 B. Pass thru empty hole of E.
3. P/U 1B, pass thru the A, C, B, D, Pearl, D, B, C, A, B, D & C. Repeat the thread path to reinforce.

4. Exiting the C (after you went all around again reinforcing), P/U 4B and pass thru back door of C. Repeat the thread path to reinforce (just around C and 4B.)

5. Tie a knot and cut your thread. Remove the stop bead. Attach a needle to the tail thread and tie a knot and cut thread.
6. Attach the ear wire by opening the loop on your ear wire, slip the 4 bead loop into the ear wire and close the loop on the ear wire.
7. Repeat steps 1-6 to make another earring.

NOTE: this is actually the top of your earring where you will attach the ear wire.
